Preparing students to fulfill God's purpose for their lives

discover
the difference

Thank you for your interest in enrolling your child at VCA. At VCA, we offer quality Christian Education within a safe, enriching learning environment. At VCA our teachers truly care about each and every child in their class. With high quality instruction and small class sizes your child will have a greater opportunity to experience success.

We look forward to partnering with parents to ensure all children experience success in learning and continue to grow academically, socially and spiritually.

Our school's admission policies reflect our core belief that all families should have the opportunity of a Christian education for their children. We are open to all students, regardless of a family's culture or religious background.

I understand that finding the right school for your child can be a challenging process. It is our sincere hope that we can be of service to you as you explore the educational choices available to your family. If you have any questions about our school, please don't hesitate to contact me directly.

Thank you again for your interest in Valley Christian Academy.

Discover VCA Today

VCA offers you and your family a difference that will last a lifetime.
Our school serves preschool through high school, and provides a Christ-centered curriculum that nurtures and challenges the student to strive towards their fullest potential.

Our students are taught by highly qualified, experienced, and committed teachers. Our teachers not only teach the academic curriculum, they are mentors, coaches, and positve role models that invest in the students overall growth and learning.
They believe that each student is unique in their personalities, learning styles, talents, and passions.
Our goal is to prepare students for both academic study, and life after school as well. Students from VCA have gone on to graduate from top universities and Bible colleges.

Your child will have the opportunity to discover their full potential, their purpose in their community, and their passion for life.

Elementary - Middle - High School

Elementary

Kindergarten is a combination of structured and play based curriculum focusing on reading, early math concepts, french, discovery science, and Bible.

Grades 1 to 5 offers a comprehensive curriculum that corresponds with the stages of child development. The core subjects include science, math, language arts, spelling, handwriting, grammar, reading, history, and Bible.

Middle and High

Middle and high school curriculum includes language arts, history, math, science, french, and Bible.

The curriculum challenges students intellectually while teaching independence and cultivates critical thinking.

- There are extended learning opportunities through competitions such as speech festivals, spelling bees, and science fairs
- Integration of faith and learning throughout all subjects and activities
- Exposure to diverse fields of computer applications, drama, art, music and physical education
- Emphasis on character development
- Small class sizes
- English as a second language course (ESL)
- High academic standard *(above ave. scores on provincal assessments)*

Chapel

VCA is a Christ-centered community. Students not only learn about God in weekly chapels and structured Bible classes, biblical truths are also woven throughout the teaching in all educational programs.

discover your purpose

Chapel is a special time of worship at VCA. Students participate in a weekly interactive worship, including student lead music, Bible teaching, and guest speakers.

Chapel and the biblical teaching the students receive help them to better understand the purpose God has for their lives and apply the truth of God's Word in their lives on a daily basis.

Community Service

We not only help our students to discover their God-given talents and purposes, we give them opportunities to put them into practice throughout our community and the world.

Every student participates in numerous community service projects throughout the school year.

Some service projects include:

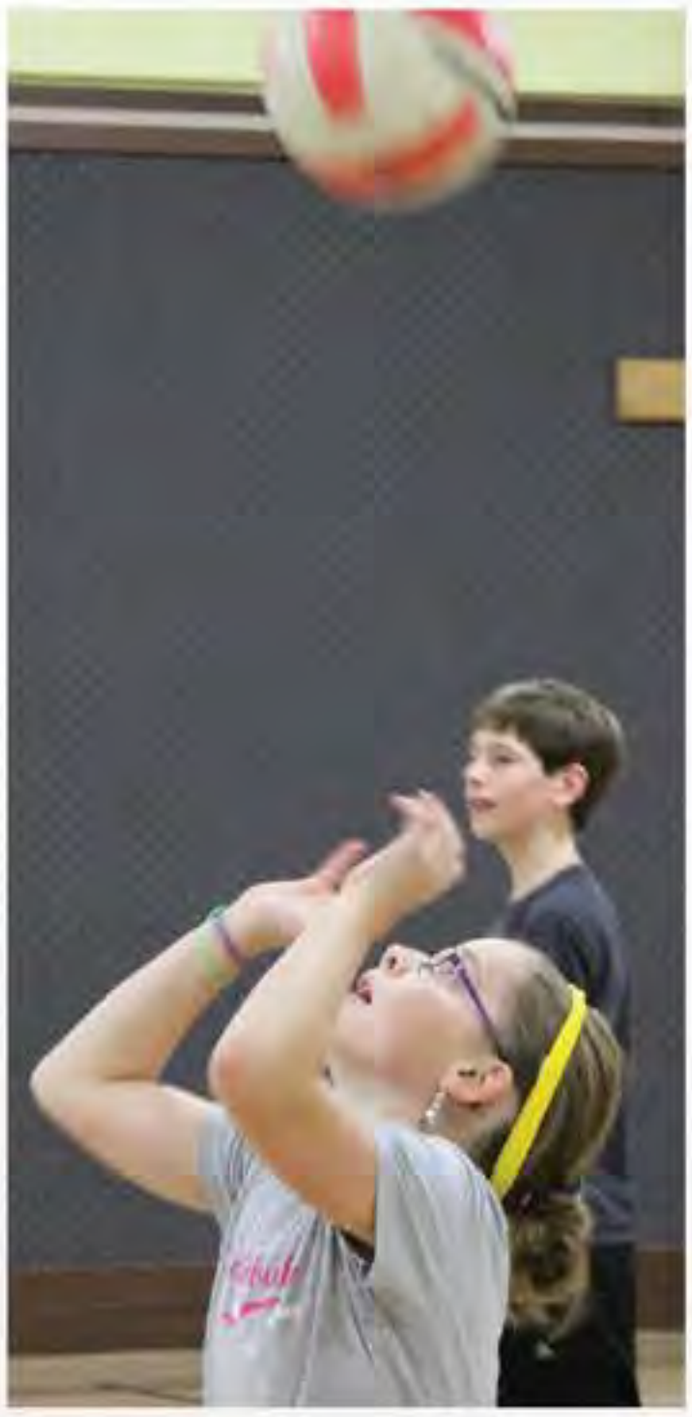
- 30-hour famine
- Operation Christmas Child
- Outflow
- Missionaries *(local and global)*
- Pregnancy Resource Centre
- Animal Shelter

"Students at VCA learn that regardless of their age, they are valuable and necessary members of their community. They experience a real joy when helping and serving others." *VCA Teacher*

Extra-Curricular

Extra-curricular activities enrich the educational experience at VCA. Through athletics, drama, music, and participation in clubs, students gain real-world experience in team work, leadership and organizational skills.

discover
your passion



"VCA is awesome because it's not just all about school work. We get to play sports, go on trips, do service projects, and I even learned to cook and knit." VCA Student

The wide variety of activities provide students the opportunity to expand their knowledge, try new skills, contribute to their community, and foster school spirit. This allows each student to explore, cultivate and express their passions.

Let us help you discover your place at VCA. Students can enrol at anytime throughout the school year. We would love to welcome you to the VCA family! Contact us anytime to discover the difference VCA can make in your child's life.
